PLEASE READ BEFORE COMPLETING OUR LITTER APPLICATION FORM

If you are completing this Litter Application Form, you are applying for the registration of a canine litter. Please study the following notes before you complete the Litter Application Form.

General

- This genealogy certificate that will be issued for each puppy provides the genealogical information of the canine expressed on the certificate,
- This genealogy certificate is issued in South Africa in terms of Section 15 (4) (a) and (b) of the Animal Improvement Act, 1998 (Act No. 62 of 1998),
- Only the official Litter Application Form is acceptable for each litter application,
- An incomplete application form will be rejected and return to the applicant,
- Please allow 14 days for processing after **CanineSA** has received your application,
- If the required and correct application fees are not included with the application, the application will be returned,
- All breeders' annual breeder membership must be paid in full before a Litter Application will be processed,
- All breeders acknowledge their acceptance of the official **CanineSA**'s Code of Ethics when signing the Litter Application Form and would be subject to penalization and or dismissal, if found to contravene these requirements,
- It is recommended that original names be allocated to each puppy and not generic numbering or codes,
- Kennel names will automatically form part of a new puppy's name,
- All documents will be e-mailed except if overnight courier services has been selected and paid for.

Completing the Litter Registration Form

- Both the Sire and the Dam should be transferred and in the registered ownership of the applicant,
- The correct registration number and name must be used for each Sire and Dam,
- If a stud is used, the owner of the stud should sign Section 3, Stud Dog Services,
- Each puppy's details including name, colour and sex must be included,
- If no coat type is specified, the puppy's coat will be registered as typical,
- If the Suitable for Breeding column is not completed, each puppy will be registered as ' Suitable for Breeding'.

Certified Health

If a puppy is evaluated for hearing, eye sight, hip or elbow dysplasia and a reference is required on the registration certificate, proof of the health condition must be submitted for verification purposes. No claims will be published on the registration certificate unless accompanied by proof issued by a recognized authority.

Breeders Restrictions

The registration of Breeders Restrictions is available on this Litter Application Form. If Breeders Restrictions needs to be lifted in future, it can only be done by the original breeder, after completing the required application form and paying the specified fees.

Electronic Certificates

Electronic Certificates replace traditional paper based Registration Certificates. Electronic Certificates are in electronic (.pdf) format and are e-mailed to a breeder instead of standard postal mail service. Electronic Certificates are available to the breeder immediately following the on-line registration process.
